

Draft Agenda (02/09/2025)

Venue: Agricultural University of Athens, Greece

WEDNESDAY 26 NOVEMBER 2025		
08:30 – 09.00	Registration	
	Welcome and introductory session	CHAIR: PENELOPE BEBELI
09.00 – 09.10	Welcome by local host, ECPGR	<i>P. Bebeli</i> <i>S. Goritschnig</i>
09.10 – 09.20	Overview of the current status of the ECPGR Evaluation Network EVA	<i>S. Goritschnig</i>
09.20 – 09:30	Review of EVA Boost Legumes network workplan 2024-2027	<i>S. Goritschnig</i>
09:30 – 10:30	Updates from connected Horizon projects and other initiatives	CHAIR: CREOLA BREZEANU
	INCREASE BELIS Legume Generation ExploDiv	<i>Presenters tbd from the projects</i>
10.30 – 11:00	TEA/COFFEE BREAK	
	Data management	
11:00 – 11.30	Review of EURISCO-EVA intranet and TEAMS space	<i>S. Goritschnig</i>
	Review of activities in 2025	CHAIR: TBD
11:30-13:00	Review of experiments and evaluation field trials 2025 (5 min each) <ul style="list-style-type: none"> - Common bean – 10x - Chickpea – 4-5x - Farmers network 	<i>Summary of trials by all partners, preliminary results.</i>
13:00 - 14:00	LUNCH	
	Review of activities in 2025 (ctd)	CHAIR: TBD
14:00 – 14.30	Regeneration of material: <ul style="list-style-type: none"> - Faba beans - Common beans - Peas - Lentils - Cow peas - Lupines 	<i>short summary of regenerators: yield, how many accessions, any issues, possibility to distribute, 2 slides each</i>
	Experimental planning for 2026-2027 by crop group	CHAIR: SANDRA GORITSCHNIG

14:30 – 15:30	Planning for common bean <ul style="list-style-type: none"> - Review of protocols - Planning of field trials - Biotic stress trials - Biochemical/nutritional analysis - New accession sets? 	<i>Crop lead</i> <i>Barbara Pipan</i>
15:30 - 16:00	TEA/COFFEE BREAK	
16:00 – 17:00	Planning for chickpea <ul style="list-style-type: none"> - Review of protocols - Planning of field trials - Biotic stress trials - Biochemical/nutritional analysis - New accession sets? 	<i>Crop lead</i> <i>Elena Bitocchi</i>
17:00 – 18:00	Planning for lentil <ul style="list-style-type: none"> - Review of protocols - Planning of field trials - Biotic stress trials - Biochemical/nutritional analysis - New accession sets? 	<i>Crop lead</i> <i>Lucia De la Rosa</i>
20:00	SOCIAL DINNER	

Venue: Agricultural University of Athens, Greece

THURSDAY 27 NOVEMBER 2025		
	Experimental planning for 2026-2027 by crop group	CHAIR: SANDRA GORITSCHNIG
9:00 – 09:45	Planning for lupine <ul style="list-style-type: none"> - Review of protocols - Planning of field trials - Biotic stress trials - Biochemical/nutritional analysis - New accession sets? 	<i>Crop lead</i> <i>Luciano Pecetti</i>
09:45 – 10:30	Planning for peas <ul style="list-style-type: none"> - Review of protocols - Planning of field trials - Biotic stress trials - Biochemical/nutritional analysis - New accession sets? 	<i>Crop lead</i> <i>Diego Rubiales</i>
10:30 – 11:00	TEA/COFFEE BREAK	
11:00 – 11:45	Planning for Faba bean <ul style="list-style-type: none"> - Review of protocols - Planning of field trials - Biotic stress trials - Biochemical/nutritional analysis - New accession sets? 	<i>Crop lead</i> <i>Lea Narits</i>
11:45 – 12:30	Planning for cowpeas <ul style="list-style-type: none"> - Review of protocols - Planning of field trials - Biotic stress trials - Biochemical/nutritional analysis - New accession sets? 	<i>Crop lead</i> <i>Penelope Bebeli</i>

12:30 - 13:30	LUNCH	
	Outlook – Data analysis and other activities	CHAIR: TBD
13:30 – 14:30	Data analysis approaches A Available genotyping data Volunteers for different crops Desired outputs/format for breeders <ul style="list-style-type: none"> - Markers, materials, traits - Possible publications? - Data inclusion in EURISCO 	<i>All</i>
14:30 – 15:00	Other activities for the network <ul style="list-style-type: none"> - Dissemination activities - Communication and outreach - Farmers network 	
15:00 – 15:30	Final discussions and wrap-up Any other business	<i>All</i>
15:30	End of meeting	
15:30-16:30	Optional visit of AUA facilities	<i>P. Bebeli</i>
