1	Regarding the proposals of the budget and the contribution from the countries should be presented in due time before the meeting to be able to get a mandate from the Financial ministry or other relevant ministry within the country.	5/22/2018 1:36 PM

1	Not a big thing but the information about the transport from the airport wasn't updated. Meals get less points due to the coffee breaks that were a bit boring...would have been nice not to have only cookies but also some fruits.	6/25/2018 9:07 AM
2	I arranged for my own travel bookings and transport to/from airport. Electra Palace Hotel was an excellent choice.	5/22/2018 2:05 PM
3	Very nice and surroundings, facilities, and friendly participants as well as the Greeks. Excellent organized.	5/22/2018 1:39 PM

1	A perhaps not sufficiently recognized problem is that only very few participants are actually active and do influence the discussions and decisions. A majority of countries, not only former east-european countries but also large other countries with a large agricultural sector are largely inactive. This may be the largest problem for ECPGR, and for recognition of its importance for PGR-work in Europe	5/22/2018 2:17 PM
2	As has been said many times before, efforts should be made to include all - or at least most - participants in the discussions.	5/22/2018 2:13 PM

1	Thanks for organisation and also for enough space for discussion.	6/11/2018 3:13 PM
2	Visibility of countries	5/29/2018 4:14 PM
3	Consider, at the next mid-term SC meeting, to include an interactive session where the participants are encouraged to engage in person. I believe this will leave them with a feeling of having contributed much more actively, than at present.	5/22/2018 2:26 PM
4	Thank you to secretariat and to local organizers!	5/22/2018 2:21 PM
